Today's News - October 30, 2002

Big plans underway (again) for Philadelphia's Delaware River waterfront. -- LA preservationists and Niemeyer House make headlines in NY. -- Reworked Soldier Field stadium in Chicago no longer deserves landmark status. -- National Building Museum exhibition of Pentagon memorial entries reviewed. -- Awards in Dublin. -- UK shortlist of potential European Capital of Culture. -- A good word for suburbs. -- Critics say design of museum in Cincinnati will cut off water views; and in NY, doubts about city streetscapes and toilets. -- High praise for a new cancer center in Pittsburgh. -- Beijing Olympics projects heating up. -- Cecil Balmond at Yale (scroll way down to reach text). -- A review of recent retail designs in NYC says "architectural ideas too advanced, too costly, or just too stupid to suit an office building or a residence often turn up in the boutiques" (but it's really a positive review)…and more.
